Accident Indicator

CARFAX receives information about accidents in all 50 states, the District of Columbia and Canada.

Not every accident is reported to CARFAX. As details about the accident become available, those additional details are added to the CARFAX Vehicle History Report. CARFAX recommends that you have this vehicle inspected by a qualified mechanic.

- According to the National Safety Council, Injury Facts, 2015 edition, 8% of the 254 million registered vehicles in the U.S. were involved in an accident in 2013. Over 74% of these were considered minor or moderate.
- This CARFAX Vehicle History Report is based only on information supplied to CARFAX and available as of 7/17/18 at 11:43:04 AM (CDT). Other information about this vehicle, including problems, may not have been reported to CARFAX. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

West Virginia Damage Reports:

- Provide an estimate of the extent of damage in its accident reports for the following:
 - SEVERE/TOTALED: The vehicle cannot be driven from the accident scene due to severe damage or an injury. This level of damage often results in a Salvage or Junk title.
 - DISABLED: The vehicle cannot be driven from the accident scene due to damage. The vehicle had to be towed or hauled away from the accident location.
 - MODERATE: The accident damage affects the operation of the vehicle and/or its parts. Examples include broken windows, trunk lids, doors, bumpers and tires.
 - FUNCTIONAL: The accident damage affects the operation of the vehicle and/or its parts. The vehicle could be driven from the accident location.
 - MINOR: The accident damage does not affect the operation of the vehicle. Examples include dented bumpers, fenders, grills and body panels. This level of accident should not compromise vehicle safety.
 - NO DAMAGE: The vehicle was not damaged.
- Are required if the estimated damage exceeds \$500

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Lexus Recall / Service Campaign

Toyota Motor Sales, USA, Inc. provides CARFAX with recall and service campaign information for vehicles originally marketed or sold in the United States of America, its territories, and Mexico. Only open safety or emissions recalls and service campaigns where the remedy has not been completed, will be listed. While Toyota provides data updates to CARFAX on a regular basis, this report may not include very recent activity. For the most current information on recall and campaign activity for any Lexus vehicle, you must go to <http://toyota.com/recall>.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.

CARFAX Vehicle History Report Summary:

Accident reported

CARFAX 1-Owner vehicle

Personal lease vehicle

Last owned in West Virginia

6 Detailed records available

9,980 Last reported odometer reading

PRINT AND TAKE THIS CHECKLIST WITH YOU

This checklist utilizes information from your CARFAX report to help you make an informed used car purchase.

General Questions

Is the car still under manufacturer warranty or is a warranty available at the time of purchase?

Test Drive and Visual Inspection

Turn on the ignition without starting the car. Do all the warning lights and gauges work?

Ensure the airbag light appears momentarily and goes out upon starting the vehicle.

Is the odometer consistent with the last reading of 9,980 on the CARFAX report summary above?

Do the tires appear to be in good shape and without uneven wear?

Test all internal controls. Do all lights, turn signals, windows and the heater and air conditioner work?

Mechanical Questions

Accident / Damage reported: You may want to have the dealer, a mechanic, or body shop inspect the repair.

Does the vehicle appear to have been well maintained?

When should you schedule the next regular service?

CARFAX® Warranty Check™

Print Report
